Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The rapture has taken place. Millions of believers all over the globe vanished in the twinkling of an eye. Left behind is everything they ever held dear. Above all, many loved ones are left to wonder. Such is the case with Pastor Austin Jordan. His wife Emma and two kids Ruth and Jacob are gone. He is left to pick up the pieces and get his life right before the Lord. Evil is now unleashed, and the two worlds of darkness and light are merging for the last great battle of Earths history. Nail biting truth comes alive in this adrenaline-fueled thriller weaved with end-times prophecy. Confront life beyond the rapture. Can you survive? Will anyone survive? Its a period in Earths history so hideous that if Christ were not to return no flesh would survive. The Antichrist like a black swarm of locusts rose up during the stock market crash. He leads the Church of Rome and is the head of the ten member nations of European Union. The world of business corrupts people, through their greed for the almighty dollar. Many are being destroyed as the rich get richer while the poor get poorer. Christians left behind after the rapture, those counted unworthy to be taken out have got to see significant changes come to their lives. Quickly they have to run to the Lord before all hope fades. Only those who stand firm until the end will be saved. All around churches are being burned. Preachers gather their people in hidden places throughout their cities. They never meet twice in the same location. Fear of internment keeps them on the move. Smart...
