Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Autism does not cause suicide but it can lead to situations in a person's life that might cause them to become suicidal out of loneliness or social isolation. It may be hard for some with autism to ask for help because they do not have the social skills to connect with others so someone else might know that they need help. This book will give you tips and ideas on how to reach out and help someone on the autism spectrum. Here is an excerpt from the book. I have had four suicide attempts and with each one it has been because of my social skills. I do not have good enough social skills to connect with someone at the level in which...
