By teachers to guide students in extracurricular reading. Practice has proved that the students want to learn the language curricular learning. it is necessary to do a good job. but also do a good job in extracurricular learning. Curricular and extracurricular together and promote each other. in order to more effectively improve the language proficiency. The reading anthology is a supplement and extension of the reading and writing. Reading and writing for curricular learning. selected text than read the anthology has a model of stability. general requirements for Intensive training more systematic efforts are also relatively large; However. the number of teaching hours. the number can not be more than. four a total of only 100. which is obviously not enough. Read anthology for extracurricular learning selected text except embodies curricular teaching requirements more times. diversity. the number is much greater. and strive to enable students to read the wealth to the breath of life. more work to reflect the current style of the times read a broader theme. in the form of a greater variety of works. to facilitate student contact the living language learning. broaden their horizons. broaden thinking. to make curricular learning reading and writing knowledge and ability to migrate...
