Brand New Book. Joseph B. Soloveitchik's philosophy plays a significant role in twentieth century Jewish thought. This book focuses on the first stages of Soloveitchik's philosophy, through a systematic and detailed discussion of his essay *Halakhic Man*. Schwartz analyzes this essay at three main levels: first, he considers its complex writing style and relates it to Soloveitchik's aims in the writing of this work. Second, the author compares *Halakhic Man* to other contemporary writings of Soloveitchik. Third, he lays out the essay's philosophical background. Through this analysis, Schwartz successfully exposes hidden layers in *Halakhic Man*, which may not be immediately evident. This book is also available in paperback.
