I had heard that the Lord would return someday, but I was amazed when I learned that the Bible was not vague, but specific about Jesus return and even the general time that it would occur. PURPOSE: The intent is to teach the interested about the return of the Lord Jesus Christ to this earth, to claim the victory He won on the cross, for you and me. The study does not intend to be denominational, rather it's intent is to enlighten and to bring all of the Body of Christ, His Church, together as one. SCOPE: The scope of the study is from the beginning to the end: from Genesis to Revelation (see Study Course Outline for details). The student is taken through the study from scratch. The study concentrates strongly on prophecy that has already been fulfilled, showing the steps leading up to today and what the Bible says will soon occur. As you can see in the Outline there are 30 Lessons arranged into 11 Lesson Sets. It is my fervent hope that the Holy Spirit will impress upon you the need to be aware of the Lord's imminent return (Luke 21:36) and God's blessings for studying prophecy (Revelation 1:3).
