Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Finally, an invaluable guide that provides real STRATEGIES TO AVOID FORECLOSURE (and prevent bankruptcy) your lender hopes you never see. These step-by-step instructions can be implemented by anyone without using an attorney and without filing personal bankruptcy. As a real estate investor, Alan Jackson watched as his portfolio of \$10 million plummet to \$6 million within a few short months. Faced with the threat of foreclosure on all 55 of his rental properties, he created these simple strategies that allowed him to maintain ownership in his properties without making a single payment, and gave him tools to become an expert in managing distressed properties. You'll also learn who was really responsible for the plunge in real estate values all across the United States. What actions forced the valuation of your home to fall and the equity you in it had to disappear? The \$8.5 trillion dollar question is Where did the \$8.5 trillion go from the federal government bailout? The answer will have you fuming, and the tools and strategies in this guide will help you take back control of your home and finances.
