Whether formed as a social faction, a cult of heretics, a consortium of conspirators or as an exercise in safety in numbers, a coterie of Kindred is no strange thing to see after sunset. How, then, do its members reconcile their bestial urges with the demands of nightly unlife? Coteries examines the âfamily unitâ of Kindred society. Broken down by sect and clan relations, this book sheds light on how groups of disparate vampires set aside their differences (or nurse grudges) to protect themselves against the hostile world in which they exist. Sometimes, only your fellow Kindred can protect you from the darkness, but trusting them to do so is a dangerous proposition in itself.
