Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I don t know why, but for some reason people find my one-two boilermaker punch of Kerouac and Hawkeye Pierce somewhat amusing. I m a real prize. I lost my glamorous job as a professional drinker, I mean Washington lobbyist, after I won the war but lost the battle with a Lying Cheating Scum. The Wife kicked me to the curb, down the street and all the way out of town. Now I m back in Hershey, Pennsylvania, the Bedford Falls I thought I had escaped. Just to prove I lost my mind, I go and fall for some sob story about a kid with leukemia and her family going broke, from a peaches and cream siren who distracted me with her allure. So I m up against the biggest players with the deepest pockets, I don t have any plastic, and I m not even getting paid. How am I supposed to buy people? Here s the thing: I kind of like the little girl, Rosa, held hostage by a bunch of greedy insurance industry bean counters. She s a fighter. And I hate it when my friends get jerked around by The Man. The players in this little drama will tell you they re not to blame. That it s not personal, it s just business. Look, I m just a guy with a winning smile and a fabulous wardrobe, but I don t buy it. For me, it s always personal. I may not have a perfect record or always play by the rules, but when I m in, I m all the way in. And I m not joking around anymore.
