Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Christianity is under attack! Christianity is under attack externally by many who refuse to acknowledge God and Jesus Christ and will blatantly say that God is Dead. But it is also under various attacks internally by many religious leaders, denominations and sects that not only teach unsound doctrine and theology but also paints a picture of Christianity that is false. False Preachers, delusional so called Prophets, Cults, Atheists, Darwinists, Agnostics, Secular Humanists and more have Christianity in their cross hairs and too many Christians are not prepared to meet the challenges head on. To Give A Reason is a tool to prepare the Christian by giving them answers to some of the arguments against Christianity and answer some of the questions many have about Christianity. Bryant Echols Sr. is a well-respected teacher and preacher of the Gospel of Jesus Christ. He has served as director of Christian education and as Youth Pastor. A dedicated Christian, He has devoted himself to Christ and made it his personal mission to equip the saints of God and make sure all are able to give a reason for what they believe.
