Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A new generation has come upon the stage since our civil war. It has its own writers on the events of that struggle. Some of these, careful students as they are, make proper and effective use of the stores of material which the Government has collected and published. Others, stumbling upon interesting dispatches of notable campaigns, read them in connection with the ill-considered and hasty criticisms of the hot times which brought them forth, and, finding questions settled twenty years ago, but entirely new to themselves, they proceed to reveal them as new things to the new generation. By this process it has recently been announced that General Thomas was slow at Nashville. To give this echo of thirty-two years ago sufficient voice, several columns of dispatches-which a quarter of a century since formed the basis of discussions that demolished the theory they are now brought forward to sustain-are gravely presented as something new.
