This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 Excerpt: .properly the unlooked-for exhibit. Through the liberality of the commission, who have realized the importance of this department in making the annual exhibitions of interest and benefit to the public, prize lists have been still further increased with a resultant increase of exhibits, until the sheep department at Syracuse is recognized as being equal to any in this country, both as to quality and numbers shown. Breeders of different states meet here and vie with each other in the show ring; while an interested, intelligent public study breeds and types in an endeavor to learn which breed or type may best meet their farm and market conditions. The number of entries and the amount of awards for the past two years are shown in the following table: Total Total Year entries awards 1915 875 \$5,630 50 1916 792 4,850 00 AN EDUCATIONAL INSTITUTION It is a...
