Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In this third book of a trilogy that chronicles major turning points in his spiritual journey, author Ronald Gelaude shares his discovery of a new life in the midst of grief over inexplicable loss. Foolish Trust explores life as a mystifying confluence of emotion, intellect, will, and heart. Yet, amid all the uncertainty, chaos, and theological confusion, there is something beyond reason waiting for you. At its core, this is a book about the raw beauty and majestic nature of hope. It isn't always found in the questions you might ask in your darkest moments-such as Why, God, why? and When, God, when? Rather, there is power in faith without easy answers. Combining his genuine desire to help others with well-honed storytelling skills and unique life experiences, Gelaude offers an uplifting message to others wrestling with their faith: you can love again.
