

An Elementary Treatise on Algebra (Classic Reprint)

Filesize: 7.85 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
(Dr. Sarai Fisher DDS)

AN ELEMENTARY TREATISE ON ALGEBRA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from An Elementary Treatise on Algebra The excellence of Bridge's Algebra, as an elementary treatise, has long been well known and extensively recognised. In the Preface to the Second Edition the author expressly states, that great pains were taken to give to it all the perspicuity and simplicity which the subject would admit of, and to present it in a form likely to engage the attention of young persons just entering on their mathematical studies. The design, which he thus proposed to himself, was accomplished with singular felicity, - for not one of the many publications on Algebra, which have during a period of forty years issued from the press, with the professed object of producing a more simple and appropriate introduction to the study of the science, has evinced such merits as justly entitle it to be placed in comparison with the performance of Mr. Bridge. These publications have accordingly failed to secure for themselves the same measure of public approbation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
