Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This little booklet is a sort of thumb index to help you through some of the Bible s sixty six books to indicate something of how they hang together and what is their purpose for you as you do your exploring and what is the Bible s relevance to your life. Of course, this is only a brief index and omits far more of what the Bible includes than it contains but it can become a starter for you and may stir an appetite to study further. If it does, it will have achieved its purpose.
