Assessment of the adequacy of the existing distribution and reasons for its conception. 4.) Systematic differentiation of European Structural Funds and European funding programmes on the basis of self-developed criteria . 5.) Contribution of the quality of regional public administration services to an effective and efficient implementation of the European Structural Funds. Introduction: In March 2000 at the Lisbon Spring Council, the 15 European Union (EU) leaders at that time agreed that the EU should commit to raising the rate of growth and employment to underpin social cohesion and environmental sustainability. The EU set itself a strategic goal for the next decade: to become the most dynamic and competitive knowledge-based economy in the world, capable of sustainable economic growth with more and better jobs and greater social cohesion, and respect for the environment. In June 2001 in Goteborg, the strategy...
