It gives techniques on mind control, then outlines key techniques to accelerate their success, and concludes with essential life planning. It shows how to expand their thinking, develop a plan, and jump start their life by taking action now to get ahead of the crowd. LCS is written in easy-to-understand language that can be applied right away. Humor is sprinkled in to keep readers interested and inspiring quotes and graphics highlight important principles. Lots of additional resources are provided along with many actual experiences to easily understand the concepts. Chapters end with What Would Jeff Do steps to apply what was laid out and challenge their families and friends to learn these concepts, but most of all action steps to get started now. LCS is written in a Frequently Asked Question (FAQ) format so the mind can more easily understand and retain the information. It shows readers how to harness the underutilized subconscious mind, strengthen it, and align it with their deepest desires, letting it assist them toward accomplishing their goals daily. It gives techniques for squashing typical negative thoughts and focusing on their strongest desires. It shows them how to establish a regular routine for a healthy and clear mind.
