**MAGICAL GOLF - A TALE OF TRANSFORMATION: HOW TO ACHIEVE MENTAL AND EMOTIONAL CONTROL OVER YOUR GOLF GAME****DOWNLOAD**

BookSurge Publishing. Paperback. Condition: New. 172 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. *Magical Golf A Tale of Transformation* is told as a story within a story. It is designed to help the reader integrate the information in a way that it can be immediately applied on the golf course. It includes a description of a process which when applied, can not but, support transformation. It utilizes the game of golf to show the reader how to apply simple, yet profound and powerful principles in their lives as a way to enhance the release of their ultimate human potential (the magic within). This book, though focused on the game of golf, is a brief synopsis of some of the ideas, information and processes that I have learned to incorporate and integrate into my own life and that I share with my clients of whom I am privileged to teach and mentor. It is my hope and sincere desire that this book can, not only help you with your mental approach to improve your golf game (which it will), but can also in some small way assist you in your own transformation and journey through life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
