CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 236 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. When Rabbi Mark Friedlander moves his teenage children from Manhattan to a quiet town in Northwestern New Jersey after the death of their mother, he hopes for a fresh start, a place for him and his children to heal while he leads a vibrant synagogue that will embrace them. What he gets instead is just the opposite. His daughter, Hannah, twelve, struggles with grief, loneliness, and what it means to be Jewish as a Chinese adoptee. She wants to fit in, but that's difficult in their new mostly white and Christian town--so she decides to secretly convert. His son, Aaron, a senior in high school, is applying to Ivy League schools and counting down to when he can leave the small town--until he discovers a shocking secret that threatens his entire future. Lurking in the shadows is a pastor who says he just wants to support the kids in his congregation, but is that all he really wants? The Opposite of Normal is about what it means to love and accept, what it means to do the right thing, and what it means to heal after loss. This item ships from La Vergne, TN. Paperback.
